

PROUDLY CHILDSAFE

KINETIC CORDLESS BLINDS

A stunning revolution in window fashion.
The look is modern, clean and stylish – *with no cords!*

The Kinetic look is clean, uncluttered and contemporary, with a modern, streamlined design perfect for any room in the home.

Kinetic cordless blinds are so easy to use; simply raise or lower at a touch, and the unique spring mechanisms ensure the blinds stay just where you want them.

Most importantly, with no loose cords or chains they are safer for babies and young children.

Good looking, practical and child safe. Introduce the cool, modern style of Kinetic blinds into your home, and you'll never look back.

- Completely child-safe – no loose cords
- Easy control – push up, pull down
- Blinds stay where you want them
- Excellent light control
- Available in roller, cellular and venetian blinds

Available in Cellular and selected Venetian blinds.
